

PIZZA MENU

(served daily 12 noon – 9pm (Fridays & Saturdays 7pm))

The Palatine's pizzas are designed to be enjoyed as a meal or to share with friends'

All our pizzas are made with homemade dough prepared using a traditional northern Italian recipe. The pizzas are lovingly handmade, using the finest mozzarella cheese, and baked quickly in an ultra hot oven. This method creates Neapolitan style pizzas with thin stretched bases which ensure all flavours of the toppings are prominent.

All pizzas are served with a homemade tomato base and finished with fresh mozzarella cheese
